

MISSION STATEMENT

We achieve our goals together

Our guiding principles

Our mission statement is binding for our conduct towards each other, our customers, suppliers, business partners, and the general public. It shapes the perception of the entire company.

VETTER is a modern company with tradition.

We are an attractive employer. We live our social responsibility and aspire to long-term retention of our employees.

Our crane systems and services stand for reliability, availability, and quality.

We at VETTER wish to win as a team and know that each individual contributes to the success through their commitment, attitude, and action.

All our efforts are focused on the needs and satisfaction of our customers.

In our interaction with one another and others, we foster a culture of openness, tolerance, respect and politeness as well as fairness and trust.

We are a trustworthy partner for our customers and suppliers and strive for a long-term collaboration.

We firmly believe that good training and qualifications boost not only employee satisfaction and efficiency but also the company success.

When developing new products, we are guided by the wishes and needs of our customers.

The basis of our enduring success in our experience and continuous investment in employees and company.
